got into the complex itself and that's when I pulled my weapon and I shot George.
Q And the reasoning was basically for fear that he would tell Bennett or Greene?
A No, that he did that. He actually did that. So that was the reason. Because he was taking information back from what we were saying to Noble. So that was the reason.
Q Did you ever get arrested for that?
A No, I didn't.
Q At the shooting of Shelley, you said you were not present at that time?
A No, I wasn't there when Shelley was shot. As a matter of fact, George Noel and I pulled up after it happened.
Q Noel was not there?
A No, he was not there.
Q He was with you?
A We was together.
Q And you pulled up after it happened with George Noel?
A That I recall, yes.
Q What happened? What was there when you got there?

Page 115

A It wasn't anything there. It was like later on in that day. We had gone to the robe store, call it the robe store. Somehow we found out about it. I don't even recall how we found out about it. My best recollection was that it was over and done with.
Q When you and Noel pulled up to the robe store?
A I believe that's the way it happened.
Q Did anybody ever make any statements about that shooting to you?
A Yes. I talked with the parties involved. Jerry Lewis-Bey, Darden-Bey, talked to Rodney Caven and Noble Bennett.
Q When you and Noel pulled up to the store, were the police there?
A No one was there when I got there. That's what I'm saying, it was done and gone. It was over with.
Q People were talking about it there?
A I don't know if I got the information from there or I got it once I contacted Jerry or how I really came about that.
It was really something that was very

Page 116

insignificant. So I just don't remember much about that.
Like I said, I do remember talking to Darden-Bey, Carlton Darden-Bey, I talked to Noble, I talked to Rodney Caven.
Q What did Jerry say?
A That was it.
Q What did Jerry say?
A He had pretty much told me that he had Carlton shoot Shelley because she had said that he was a snitch.
Q Do you remember what time it was that you arrived at the store?
A No.
Q Would it have been early evening?
A I don't recall.
Q You were there to get Robitussin?
A Correct.
Q And then when you and Noel arrived, somebody there says to you or somehow you learned at the scene that the shooting had happened recently?
A No.
Q Well, tell me.
A I don't know if I learned when I got

Page 117

to the store or if it was later. What I am saying is when I arrived at the store it was done and over with. So I don't know if later when I reconnected with Jerry that I found out or someone at the store mentioned it. I really don't remember.
Q But when you got to the store it was done and recently over with. I mean, it had happened that day?
A I couldn't even tell you what part of the day that it happened.
All I know is earlier that day I had gotten to the robe store and somehow I found out that Shelley had been shot. I didn't know any circumstances. Like I say, I don't know if I found out then or not, I just don't recall.
Q Noel never told you that he had been present when it happened?
A He never said it to me.
Q And you all were close?
A Yes.
Q Who is George Gervin?
A George Gervin was an associate of ours.
Q "Associate of ours," ours being whom?

Page 118

A Well, I brought him into the fold. So he was an associate of myself, Jerry, Stuart Bey, Darden Rush-Bey, everybody that was involved in our organization.
Q What year would it have been that you brought him into the fold?
A About '80, '81.
Q Do you know Cary Caldwell?
A Yes.
Q How far back do you and Cary Caldwell go?
A I first met Cary in approximately '79, '80.
Q On the streets?
A On the streets, yes.
Q Do you know when Cary Caldwell would have first met Jerry Lewis-Bey, if ever?
A Yes. My understanding was that he was introduced to Jerry Lewis-Bey through Michael Sheppard-Bey.
I would say about '89, '90, somewhere around there.
Q Did Cary Caldwell know Jerry Lewis-Bey back in the early '80's?

Page 119

A Personally?
Q Yes.
A Well, he knew of him through me.
Did he know him personally? I don't know if he did or not.
Q Would you have known if he did?
A I mean, I was never present when Cary was with Jerry or I never seen Cary and Jerry present, if that's what you are asking me.
Q What about Reggie Griffin, did you know him?
A Yes.
Q Larry Griffin, did you know him?
A Yes.
Q How did you know them?
A Reggie Griffin worked for us and Larry Griffin was Reggie's uncle.
Larry secured some weapons for us at one time. And that was basically the gist of our relationship. But Reggie and I was pretty close.
Q Do you know if George Gervin killed someone at a Jack-In-The-Box that was going to testify against Reggie Griffin?
A Yes.

Page 120

Q He did?
A Yes.
Q How do you know?
A I talked with him.
Q Were you present?
A No.
Q Did Cary Caldwell have anything to do with that?
A No, he didn't.
Q How do you know?
A Because I talked to the parties involved.
Q Did Cary ever say he didn't have anything to do with it?
A As a matter of fact, I believe Cary said he had something to do with it, but I would also like to say maybe he did, I wasn't there.
Q Quinten Moss.
Did I ask you about Quinten Moss?
A No, you didn't ask me about him, but I know about him.
Q Who is he?
A Quinten Moss allegedly had something to do with the murder of Gantz, which was Reggie's

Page 121

uncle.
Q Do you know how he came to be killed, Quinten Moss?
A Yes.
Q Did you have anything to do with it?
A Yes, I did.
Q Can you tell me what your involvement was?
A I am trying to remember that situation.
I had gotten Reggie, I think it was Reggie, Russell Watson. It may have been Darrell Smith.
Anyway, the guy was killed up on Serral. He was sitting down on a wall doing drugs.
Q Were you present?
A Yes.
Q Did you shoot him?
A No, I didn't.
Q What did you do?
A I was just in the car. I believe, we really wasn't looking for Quinten at the time. I believe we were looking for the guy called Black, something at the time, because I was trying to help

Page 122

Reggie out with his situation about his uncle.
My recollection on this is very vague.
So.
Q Did Cary Caldwell have anything to do with it?
A By anything, what do you mean?
Q Help in any way, tell anybody where the guy was going to be, provide a weapon, look out?
A You see, that's possible because he may have told Reggie something.
Q But I mean you know who Quinten Moss was?
A I knew who he was.
Q You are saying you were present when he was killed?
A Yes.
Q Was Larry Griffin present when he was killed?
A No.
Q You are sure?
A No, I'm not.
Q To your recollection, was Larry Griffin present?
A I don't remember.

Page 123

You see, you are pretty much talking about an incident that I really – I mean, this may sound somewhat out of line, but it was just a situation where I wasn't involved in, but I didn't pretty much care what was taking place at the time. And the parties involved didn't mean anything to me.
So my recollection only is just, I mean, it's very vague. For a better term, it just was an insignificant incident and it didn't –
Q Was it like a drive-by shooting?
A Basically, yes.
Q You are saying Reggie, you are saying Larry Griffin did it?
A To my best recollection, I'm not sure, man. That's what I'm going to say, to be honest, because I could be wrong. It's just so vague, I don't remember.
Q After you began cooperating, were you ever questioned about the Quinten Moss killing?
A That's possible. I don't remember.
You know, it's so many things that a lot of times you ask me questions and certain things that you may say may bring things to my remembrance that I may not have mentioned because you have got

Page 124

to understand something, you are talking about over 20 years of incidents, information and I'm doing my best.
So I don't know.
Q Okay. And I think Ms. Leftwich asked you about killings you actually did.
I think you started basically with Boykins and Busher. There were others before that?
A No. That was the first time.
Q Even ones that you were involved in but didn't actually do the killing?
A That I was involved in, murders?
Q Yes.
A I was never involved in a murder.
Q Of anybody before?
A I was involved in some shootings, but no murders that I recall.
Q What about a Henry Trotter?
A Oh, yes. I didn't do that.
Q Walter McCoy?
A Did I kill Walter McCoy?
Q Yes.
A No.
Q But thinking about it any more, are

Page 125

you able to say whether Larry Griffin was present when Quinten Moss was killed?
A I don't know.
Q You don't recall is the question?
A No, I don't.
Q Did you ever, back in '79 or '80, take Cary Caldwell to Jerry Lewis-Bey's house?
A No.
Q Even to tell him wait out in the car or anything like that?
A No.
Q That didn't happen?
A No.
Q And you never took Cary Caldwell to his house, either Black Jack or anyone else and told him to wait out in the car, in '79 or '80?
A No.
Q Did you ever tell Caldwell before '85 – well, was Cary Caldwell somebody you would talk about the killings with?
A No.
Q Did you ever tell Caldwell before 1985 that you were going to kill Robert Young?
A No.

Page 126

Q The car that you say you were in when Quinten Moss was killed, whose car was it?
A I think it was mine.
Q Do you remember what kind it was?
A Something like a '68, '69 Chevy, something like that.
Q Baha?
A That's what we called it.
Q A four door?
A Yes, I believe it was.
Q I assume Cary Caldwell didn't ask you to let him use that car for Quinten Moss' killing?
A No.
Q Did Caldwell ever drive that car, to your recollection?
A I don't know, because a lot of times I wasn't in possession of the car. Reggie would have it. So it's possible.
Q Was Henry Scott one of the people in the car at the time that Quinten Moss was killed?
A I don't know.
Q Do you know of any murders that Cary Caldwell was involved in?
A No.

Page 127

Q Were you ever in St. Mary's Honor Center when Cindy Watkins was also there?
A In St. Mary's?
Q Yes.
A Cindy was in St. Mary's, but I wasn't in St. Mary's at the same time.
Q Was there a shooting incident involving her?
A Yes, there was.
Q Can you tell me about that?
A Yes. I forgot about that one. Let me put it together. Something had taken place and it was some threats made by Cindy towards me and I basically just went to scare Cindy. I shot her.
Q What year?
A I don't even know. I got out in '86, went back in '86. I don't know, '87. I don't remember.
Q You talked about shooting Noel in 1980?
A Yes.
Q In 1987 or 1988, did you ever sell heroin to George Noel?

Page 128

A Yes.
Q How and where?
A That was in 1987. He came to an apartment that I had with a lady friend of mine over on West Norris. The initial deal was made through Jerry. And Jerry instructed me to deal with George and what to sell George. And that's where it took place.
Q By that time everything was patched up?
A I guess you could say that.
Q The reason for shooting Noel back in '80 didn't have anything to do with him not embracing the Moorish religion or anything, did it?
A No.
Q Did you ever say that to Noel?
A Say what to Noel?
Q That he was shot because he didn't embrace the Moorish religion?
A No, I never said that.
Q Do you know of any reason why Noel would think that?
A No, I don't.
Q On Robert Young, did you ever see

Page 129

Robert Young and Jerry Lewis-Bey argue while you were in prison?
A I didn't see the argument. I was told about the argument, but I wasn't there. That was the reason that Jerry was there.
Q What facility?
A I was at the church farm, I was involved in the security, part of the major security. Robert Young was working out on the grounds when Jerry came to visit me and they had some words.
Q Who told you about that?
A At the time of the visit, Jerry told me. He said basically at the time when they pulled up, they encountered Robert Young and they had some words.
Q Anything more than that?
A No more than that. That's all that I recall.
Q Did you go to Theodore Freyman's's funeral?
A Yes.
Q Do you remember when that was?

Page 130

A Yes, that was in '85.
Q How was he killed?
A He was shot.
Q By whom?
A Geez, I forget the guy's name.
Q Was the guy working with somebody else or what was it over, do you know?
A I think the guy was tied to people that had killed Rodney Caven. And that was it.
Q Were there any statements made at his funeral or any discussions about anything at the funeral, any discussions about criminal activity at the funeral there?
A If there was, I don't remember.
Q Did you ever supply Earl Parnell with cocaine?
A Yes.
Q About how many times?
A I don't recall. More than once.
Q You said in June of '85 you got out on your conditional release date and you were bonded out on the Young homicide?
A I think that I was released from the Missouri State Penitentiary somewhere in April or

Page 131

May. And I made bond once I was turned back over to the St. Louis Police Department. I think that probably was around June.
Q When you got out, where did you go to live?
A I think I immediately went over on Vera.
Q Which is where Cindy Watkins lived?
A Cindy Watkins didn't live on Vera.
Q Who lived on Vera?
A Adrian Westfeld and Veronica Ross.
But you are talking two different places, two different times.
Q Did Cindy Watkins live on Vera at some point in time?
A Not that I know of.
Q When you got out, I think you have said, did you buy a vehicle?
A Yes. Bought a couple of vehicles.
Q Can you tell me about that, where did you buy them, from whom?
A Bought some vehicles, it was off some dealer off of North Florissant. I don't recall the name of the dealer.
