SUMMARY OF PENNSYLVANIA CAPITAL POST-CONVICTION REVERSALS

STATE COURT	(106) - 17 new trials; 85 new penalty phases; 12 Atkins reversals; 2 Roper reversals
FEDERAL COURT	(55) - 23 new trials; 42 new sentencing hearings.
TOTAL	(158)* - 40 new trials; 127 new penalty phases; 12 Atkins reversals; 2 Roper reversals

* Florencio Rolan and Tyrone Moore each won penalty relief in state court and guilt relief in federal court. Kelvin Morris won penalty relief and his grant of guilt relief was reversed and remanded for further proceedings in federal court. Per negotiated plea agreement, his first-degree murder conviction was vacated and he pled to lesser charges in state court. These cases are counted in both the state and federal subtotals, but each is counted only once in the overall total.
